Call for bursary applications 2019. Abeingo Association of Canada Bursary for Form 1, 2, 3 and 4 students.

The Abeingo Association of Canada in association with INUA Community Development and Assistance and Development Service has launched the 2019 bursary program that aims at overcoming barriers which hamper access to education by needy students including HIV/AIDS orphans. The bursary is being supported through funds raised by Abeingo Association of Canada and its well-wishers.

Since 2009 Abeingo Association of Canada has provided over 158 bursaries to students in western Kenya. Students who have benefitted from this program have proceeded to successfully complete high school. Many others have joined institutions of higher learning in Kenya including national universities and colleges.

In 2019, Abeingo Association of Canada, will provide approximately 8-10 educational bursaries to needy children from Vihiga, Kakamega, Bungoma and Busia counties of Western Kenya.

This bursary is only for Year 2019. If a candidate is still in need of financial assistance for the next year they will be required to re-apply. Bursary decisions will be made in March 2019 so applicants are encouraged to apply for alternative funding to start the school year.

A checklist has been provided. Please note that if the all required documents are not received by the deadline date it could affect your application process.
